RE: Applicant: New Cingular Wireless PCS, LLC ("AT&T")
 Subject Property: Old North Road, Assessors' Map 406, Lot 9
 Property Owner: Charles E. Amo, d/b/a Choice Builders

Dear Board Members:

New Cingular Wireless PCS, LLC ("AT&T") is applying for any necessary zoning relief to construct and operate a Wireless Communications Facility to be located on property located off of Old North Road, Assessors' Map 406, Lot 9, Worthington, MA. As the owner of the subject property, I consent to AT&T and its attorneys Anderson & Kreiger LLP applying for any and all governmental licenses, permits, approvals or other relief required for or deemed necessary or appropriate by AT&T for its use of the property, including without limitation applications for a special permit, site plan review, waivers, variances, and building and construction permits as may be necessary therefor.

I also grant to the Boards and their agents permission to enter the subject property to conduct any necessary site visits, so that the Boards may properly review AT&T's application(s), provided that the Boards and/or their agents provide (a) reasonable advance notice to both AT&T and me, and (b) the opportunity to accompany them when any such site visit is conducted.

Sincerely,

Charles E. Amo
